

Urgent Joint Call for the Immediate Release of Lawyer Naim Eminoğlu

11/12/2025

We express our deep concern over the police operation conducted on the morning of 10 December 2026 against the People's Law Office and the arrest of lawyer **Naim Eminoğlu**, a board member of the Progressive Lawyers' Association - (ÇHD) Istanbul Branch and an active member of the association's International Relations Commission.

According to the information verbally conveyed to his lawyers by the police, Naim has been detained on allegations of "connection to the Gülen organization"—an accusation that is unfounded, inconsistent, and incompatible with his long-standing record of work for people's rights and freedoms.

A confidentiality order and a lawyer-access restriction have been imposed on the file, preventing even his legal representatives from meeting him until the following day.

Naim has been a dedicated defender of rights for many years. Following the devastating February 6, 2023 earthquakes, he played a leading role in supporting survivors in their struggle for justice; his own family was also affected by the disaster. We are concerned that his arrest may be linked to his legitimate and lawful professional activities defending the rights of those affected by the earthquakes.

We call on the authorities to:

- Immediately release lawyer Naim Eminoğlu,
- Lift the arbitrary secrecy and lawyer-access restrictions,
- Ensure that lawyers are able to perform their professional duties free from harassment, intimidation, and arbitrary prosecution.

We will continue to monitor the situation closely and stand in solidarity with all lawyers prosecuted for their professional and human rights work.
